(d) determine the minimum requirements and standards for conducting postgraduate and super-speciality courses and examinations in medical institution, in accordance with the regulations made under this Act;

(e) determine standards and norms for infrastructure, faculty and quality of education in medical institutions conducting postgraduate and super-speciality medical education, in accordance with the regulations made under this Act;

(f) facilitate development and training of the faculty members teaching postgraduate and super-speciality courses;

(g) facilitate research and the international student and faculty exchange programmes relating to postgraduate and super-speciality medical education;

(h) specify norms for compulsory annual disclosure, electronically or otherwise, by medical institutions in respect of their functions that has a bearing on the interest of all stakeholders including students, faculty, the Commission and the Central Government;

(i) grant recognition to the medical qualifications at the postgraduate level and super-speciality level;

(j) promote and facilitate postgraduate courses in family medicine.

(2) The Post-Graduate Medical Education Board may, in the discharge of its functions, make such recommendations to, and seek such directions from, the Commission, as it deems necessary.

26. Powers and functions of Medical Assessment and Rating Board.—(1) The Medical Assessment and Rating Board shall perform the following functions, namely:—

(a) determine the procedure for assessing and rating the medical institutions for their compliance with the standards laid down by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, in accordance with the regulations made under this Act;

(b) grant permission for establishment of a new medical institution, or to start any postgraduate course or to increase number of seats, in accordance with the provisions of section 28;

(c) carry out inspections of medical institutions for assessing and rating such institutions in accordance with the regulations made under this Act;

Provided that the Medical Assessment and Rating Board may, if it deems necessary, hire and authorise any other third party agency or persons for carrying out inspections of medical institutions for assessing and rating such institutions:

Provided further that where inspection of medical institutions is carried out by such third party agency or persons authorised by the Medical Assessment and Rating Board, it shall be obligatory on such institutions to provide access to such agency or person;

(d) conduct, or where it deems necessary, empanel independent rating agencies to conduct, assess and rate all medical institutions, within such period of their opening, and every year thereafter, at such time, and in such manner, as may be specified by the regulations;

(e) make available on its website or in public domain the assessment and ratings of medical institutions at regular intervals in accordance with the regulations made under this Act;

(f) take such measures, including issuing warning, imposition of monetary penalty, reducing intake or stoppage of admissions and recommending to the Commission for withdrawal of recognition, against a medical institution for failure to maintain the minimum essential standards specified by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, in accordance with the regulations made under this Act.

(2) The Medical Assessment and Rating Board may, in the discharge of its functions, make such recommendations to, and seek such directions from, the Commission, as it deems necessary.

27. Powers and functions of Ethics and Medical Registration Board.—(1) The Ethics and Medical Registration Board shall perform the following functions, namely:—

(a) maintain National Registers of all licensed medical practitioners in accordance with the provisions of section 31;

(b) regulate professional conduct and promote medical ethics in accordance with the regulations made under this Act:

Provided that the Ethics and Medical Registration Board shall ensure compliance of the code of professional and ethical conduct through the State Medical Council in a case where such State Medical Council has been conferred power to take disciplinary actions in respect of professional or ethical misconduct by medical practitioners under respective State Acts;

(c) develop mechanisms to have continuous interaction with State Medical Councils to effectively promote and regulate the conduct of medical practitioners and professionals;

(d) exercise appellate jurisdiction with respect to the actions taken by a State Medical Council under section 30.

(2) The Ethics and Medical Registration Board may, in the discharge of its duties, make such recommendations to, and seek such directions from, the Commission, as it deems necessary.

28. Permission for establishment of new medical college.—(1) No person shall establish a new medical college or start any postgraduate course or increase number of seats without obtaining prior permission of the Medical Assessment and Rating Board.

(2) For the purposes of obtaining permission under sub-section (1), a person may submit a scheme to the Medical Assessment and Rating Board in such form, containing such particulars, accompanied by such fee, and in such manner, as may be specified by the regulations.

(3) The Medical Assessment and Rating Board shall, having due regard to the criteria specified in section 29, consider the scheme received under sub-section (2) and either approve or disapprove such scheme within a period of six months from the date of such receipt:

Provided that before disapproving such scheme, an opportunity to rectify the defects, if any, shall be given to the person concerned.

(4) Where a scheme is approved under sub-section (3), such approval shall be the permission under sub-section (1) to establish new medical college.

(5) Where a scheme is disapproved under sub-section (3), or where no decision is taken within six months of submitting a scheme under sub-section (1), the person concerned may prefer an appeal to the Commission for approval of the scheme within fifteen days of such disapproval or, as the case may be, lapse of six months, in such manner as may be specified by the regulations.

(6) The Commission shall decide the appeal received under sub-section (5) within a period of forty-five days from the date of receipt of the appeal and in case the Commission approves the scheme, such approval shall be the permission under sub-section (1) to establish a new medical college and in case the Commission disapproves the scheme, or fails to give its decision within the specified period, the person concerned may prefer a second appeal to the Central Government within thirty days of communication of such disapproval or, as the case may be, lapse of specified period.

(7) The Medical Assessment and Rating Board may conduct evaluation and assessment of any medical institution at any time, either directly or through any other expert having integrity and experience of medical profession and without any prior notice and assess and evaluate the performance, standards and benchmarks of such medical institution.

Explanation.—For the purposes of this section, the term “person” includes a University, trust or any other association of persons or body of individuals, but does not include the Central Government.

29. Criteria for approving or disapproving scheme.—While approving or disapproving a scheme under section 28, the Medical Assessment and Rating Board, or the Commission, as the case may be, shall take into consideration the following criteria, namely:—

(a) adequacy of financial resources;

(b) whether adequate academic faculty and other necessary facilities have been provided to ensure proper functioning of medical college or would be provided within the time-limit specified in the scheme;

(c) whether adequate hospital facilities have been provided or would be provided within the time-limit specified in the scheme;

(d) such other factors as may be prescribed:

Provided that, subject to the previous approval of the Central Government, the criteria may be relaxed for the medical colleges which are set up in such areas as may be specified by the regulations.

30. State Medical Councils.—(1) The State Government shall, within three years of the commencement of this Act, take necessary steps to establish a State Medical Council if no such Council exists in that State.

(2) Where a State Act confers power upon the State Medical Council to take disciplinary actions in respect of any professional or ethical misconduct by a registered medical practitioner or professional, the State Medical Council shall act in accordance with the regulations made, and the guidelines framed, under this Act:

Provided that till such time as a State Medical Council is established in a State, the Ethics and Medical Registration Board shall receive the complaints and grievances relating to any professional or ethical misconduct against a registered medical practitioner or professional in that State in accordance with such procedure as may be specified by the regulations:

Provided further that the Ethics and Medical Registration Board or, as the case may be, the State Medical Council shall give an opportunity of hearing to the medical practitioner or professional concerned before taking any action, including imposition of any monetary penalty against such person.

(3) A medical practitioner or professional who is aggrieved by any action taken by a State Medical Council under sub-section (2) may prefer an appeal to the Ethics and Medical Registration Board against such action, and the decision, if any, of the Ethics and Medical Registration Board thereupon shall be binding on the State Medical Council, unless a second appeal is preferred under sub-section (4).

(4) A medical practitioner or professional who is aggrieved by the decision of the Ethics and Medical Registration Board may prefer an appeal to the Commission within sixty days of communication of such decision.

Explanation.—For the purposes of this Act,—

(a) “State” includes Union territory and the expressions “State Government” and “State Medical Council”, in relation to a Union territory, shall respectively mean the “Central Government” and “Union territory Medical Council”;

(b) the expression “professional or ethical misconduct” includes any act of commission or omission as may be specified by the regulations.

31. National Register and State Register.—(1) The Ethics and Medical Registration Board shall maintain a National Register containing the name, address, all recognised qualifications possessed by a licensed medical practitioner and such other particulars as may be specified by the regulations.

(2) The National Register shall be maintained in such form, including electronic form, in such manner, as may be specified by the regulations.

(3) The manner in which a name or qualification may be added to, or removed from, the National Register and the grounds for removal thereof, shall be such as may be specified by the regulations.

(4) The National Register shall be a public document within the meaning of section 74 of the Indian Evidence Act, 1872 (1 of 1872).

(5) The National Register shall be made available to the public by placing it on the website of the Ethics and Medical Registration Board.

(6) Every State Medical Council shall maintain and regularly update the State Register in the specified electronic format and supply a physical copy of the same to the Ethics and Medical Registration Board within three months of the commencement of this Act.

(7) The Ethics and Medical Registration Board shall ensure electronic synchronisation of the National Register and the State Register in such a manner that any change in one register is automatically reflected in the other register.

(8) The Ethics and Medical Registration Board shall maintain a separate National Register in such form, containing such particulars, including the name, address and all recognised qualifications possessed by a Community Health Provider referred to in section 32 in such manner as may be specified by the regulations.

32. Community Health Provider.—(1) The Commission may grant limited licence to practice medicine at mid-level as Community Health Provider to such person connected with modern scientific medical profession who qualify such criteria as may be specified by the regulations:

Provided that the number of limited licence to be granted under this sub-section shall not exceed one-third of the total number of licenced medical practitioners registered under sub-section (1) of section 31.

(2) The Community Health Provider who is granted limited licences under sub-section (1), may practice medicine to such extent, in such circumstances and for such period, as may be specified by the regulations.

(3) The Community Health Provider may prescribe specified medicine independently, only in primary and preventive healthcare, but in cases other than primary and preventive healthcare, he may prescribe medicine only under the supervision of medical practitioners registered under sub-section (1) of section 31.

33. Rights of persons to have licence to practice and to be enrolled in National Register or State Register and their obligations thereto.—(1) Any person who qualifies the National Exit Test held under section 15 shall be granted a licence to practice medicine and shall have his name and qualifications enrolled in the National Register or a State Register, as the case may be:

Provided that a person who has been registered in the Indian Medical Register maintained under the Indian Medical Council Act, 1956 (102 of 1956) prior to the coming into force of this Act and before the National Exit Test becomes operational under sub-section (3) of section 15, shall be deemed to have been registered under this Act and be enrolled in the National Register maintained under this Act.

(2) No person who has obtained medical qualification from a medical institution established in any country outside India and is recognised as a medical practitioner in that country, shall, after the commencement of this Act and the National Exit Test becomes operational under sub-section (3) of section 15, be enrolled in the National Register unless he qualifies the National Exit Test.

(3) When a person whose name is entered in the State Register or the National Register, as the case may be, obtains any title, diploma or other qualification for proficiency in sciences or public health or medicine which is a recognised medical qualification under section 35 or section 36, as the case may be, he shall be entitled to have such title, diploma or qualification entered against his name in the State Register or the National Register, as the case may be, in such manner as may be specified by the regulations.

34. Bar to practice.—(1) No person other than a person who is enrolled in the State Register or the National Register, as the case may be, shall—

(a) be allowed to practice medicine as a qualified medical practitioner;

(b) hold office as a physician or surgeon or any other office, by whatever name called, which is meant to be held by a physician or surgeon;

(c) be entitled to sign or authenticate a medical or fitness certificate or any other certificate required by any law to be signed or authenticated by a duly qualified medical practitioner;

(d) be entitled to give evidence at any inquest or in any court of law as an expert under section 45 of the Indian Evidence Act, 1872 (1 of 1872) on any matter relating to medicine:

Provided that the Commission shall submit a list of such medical professionals to the Central Government in such manner as may be prescribed:

Provided further that a foreign citizen who is enrolled in his country as a medical practitioner in accordance with the law regulating the registration of medical practitioners in that country may be permitted temporary registration in India for such period and in such manner as may be specified by the regulations.

(2) Any person who contravenes any of the provisions of this section shall be punished with imprisonment for a term which may extend to one year, or with fine which may extend to five lakh rupees or with both.

CHAPTER VI

RECOGNITION OF MEDICAL QUALIFICATIONS

35. Recognition of medical qualifications granted by Universities or medical institutions in India.—(1) The medical qualification granted by any University or medical institution in India shall be listed and maintained by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, in such manner as may be specified by the regulations and such medical qualification shall be a recognised medical qualification for the purposes of this Act.

(2) Any University or medical institution in India which grants an undergraduate or postgraduate or super-speciality medical qualification not included in the list maintained by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, may apply to that Board for granting recognition to such qualification.

(3) The Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, shall examine the application for grant of recognition to a medical qualification within a period of six months in such manner as may be specified by the regulations.

(4) Where the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, decides to grant recognition to a medical qualification, it shall include such medical qualification in the list maintained by it and also specify the date of effect of such recognition.

(5) Where the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, decides not to grant recognition to a medical qualification, the University or the medical institution concerned may prefer an appeal to the Commission for grant of recognition within sixty days of the communication of such decision, in such manner as may be specified by the regulations.

(6) The Commission shall examine the appeal received under sub-section (5) within a period of two months and if it decides that recognition may be granted to such medical qualification, it may direct the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, to include such medical qualification in the list maintained by that Board, in such manner as may be specified by the regulations.

(7) Where the Commission decides not to grant recognition to the medical qualification, or fails to take a decision within the specified period, the University or the medical institution concerned may prefer a second appeal to the Central Government within thirty days of the communication of such decision or lapse of specified period, as the case may be.

(8) All medical qualifications which have been recognised before the date of commencement of this Act and are included in the First Schedule and Part I of the Third Schedule to the Indian Medical Council Act, 1956 (102 of 1956), shall also be recognised medical qualifications for the purposes of this Act, and shall be listed and maintained by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, in such manner as may be specified by the regulations.

36. Recognition of medical qualifications granted by medical institutions outside India.—(1) Where an authority in any country outside India, which by the law of that country is entrusted with the recognition of medical qualifications in that country, makes an application to the Commission for granting recognition to such medical qualification in India, the Commission may, subject to such verification as it may deem necessary, either grant or refuse to grant recognition to that medical qualification:

Provided that the Commission shall give a reasonable opportunity of being heard to such authority before refusing to grant such recognition.

(2) A medical qualification which is granted recognition by the Commission under sub-section (1) shall be a recognised medical qualification for the purposes of this Act, and such qualification shall be listed and maintained by the Commission in such manner as may be specified by the regulations.

(3) Where the Commission refuses to grant recognition to the medical qualification under sub-section (1), the authority concerned may prefer an appeal to the Central Government against such decision within thirty days of communication thereof.

(4) All medical qualifications which have been recognised before the date of commencement of this Act and are included in the Second Schedule and Part II of the Third Schedule to the Indian Medical Council Act, 1956 (102 of 1956), shall also be recognised medical qualifications for the purposes of this Act, and shall be listed and maintained by the Commission in such manner as may be specified by the regulations.

37. Recognition of medical qualifications granted by statutory or other body in India.—(1) The medical qualifications granted by any statutory or other body in India which are covered by the categories listed in the Schedule shall be recognised medical qualifications for the purposes of this Act.

(2) The Diplomat of National Board in broad-speciality qualifications and superspeciality qualifications when granted in a medical institution with attached hospital or in a hospital with the strength of five hundred or more beds, by the National Board of Examinations, shall be equivalent in all respects to the corresponding postgraduate qualification and the super-speciality qualification granted under this Act, but in all other cases, senior residency in a medical college for an additional period of one year shall be required for such qualification to be equivalent for the purposes of teaching also.

(3) The Central Government may, on the recommendation of the Commission, and having regard to the objects of this Act, by notification, add to, or, as the case may be, omit from, the Schedule any categories of medical qualifications granted by a statutory or other body in India and on such addition, or as the case may be, omission, the medical qualifications granted by such statutory or other body in India shall be, or shall cease to be, recognised medical qualifications for the purposes of this Act.

38. Withdrawal of recognition granted to medical qualification granted by medical institutions in India.—(1) Where, upon receiving a report from the Medical Assessment and Rating Board under section 26, or otherwise, if the Commission is of the opinion that—

(a) the courses of study and examination to be undergone in, or the proficiency required from candidates at any examination held by, a University or medical institution do not conform to the standards specified by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be; or

(b) the standards and norms for infrastructure, faculty and quality of education in medical institution as determined by the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, are not adhered to by any University or medical institution, and such University or medical institution has failed to take necessary corrective action to

maintain specified minimum standards, the Commission may initiate action in accordance with the provisions of sub-section (2):

Provided that the Commission shall, before taking any action for *suo motu* withdrawal of recognition granted to the medical qualification awarded by a University or medical institution, impose penalty in accordance with the provisions of clause (f) of sub-section (1) of section 26.

(2) The Commission shall, after making such further inquiry as it deems fit, and after holding consultations with the concerned State Government and the authority of the concerned University or medical institution, comes to the conclusion that the recognition granted to a medical qualification ought to be withdrawn, it may, by order, withdraw recognition granted to such medical qualification and direct the Under-Graduate Medical Education Board or the Post-Graduate Medical Education Board, as the case may be, to amend the entries against the University or medical institution concerned in the list maintained by that Board to the effect that the recognition granted to such medical qualification is withdrawn with effect from the date specified in that order.

39. Derecognition of medical qualifications granted by medical institutions outside India.—Where, after verification with the authority in any country outside India, the Commission is of the opinion that a recognised medical qualification which is included in the list maintained by it is to be derecognised, it may, by order, derecognise such medical qualification and remove it from the list maintained by the Commission with effect from the date of such order.

40. Special provision in certain cases for recognition of medical qualifications.—Where the Commission deems it necessary, it may, by an order published in the Official Gazette, direct that any medical qualification granted by a medical institution in a country outside India, after such date as may be specified in that notification, shall be a recognised medical qualification for the purposes of this Act:

Provided that medical practice by a person possessing such qualification shall be permitted only if such person qualifies National Exit Test.

CHAPTER VII

GRANTS, AUDIT AND ACCOUNTS

41. Grants by Central Government.—The Central Government may, after due appropriation made by Parliament by law in this behalf, make to the Commission grants of such sums of money as the Central Government may think fit.

42. National Medical Commission Fund.—(1) There shall be constituted a fund to be called “the National Medical Commission Fund” which shall form part of the public account of India and there shall be credited thereto—

(a) all Government grants, fees, penalties and charges received by the Commission and the Autonomous Boards;

(b) all sums received by the Commission from such other sources as may be decided by it.

(2) The Fund shall be applied for making payment towards—

(a) the salaries and allowances payable to the Chairperson and Members of the Commission, the Presidents and Members of the Autonomous Boards and the administrative expenses including the salaries and allowances payable to the officers and other employees of the Commission and Autonomous Boards;

(b) the expenses incurred in carrying out the provisions of this Act, including in connection with the discharge of the functions of the Commission and the Autonomous Boards.

43. Audit and accounts.—(1) The Commission shall maintain proper accounts and other relevant records and prepare an annual statement of accounts in such form as may be prescribed, in consultation with the Comptroller and Auditor-General of India.

(2) The accounts of the Commission shall be audited by the Comptroller and Auditor-General of India at such intervals as may be specified by him and any expenditure incurred in connection with such audit shall be payable by the Commission to the Comptroller and Auditor-General of India.

(3) The Comptroller and Auditor-General of India and any other persons appointed by him in connection with the audit of the accounts of the Commission shall have the same rights and privileges and authority in connection with such audit as the Comptroller and Auditor-General generally has in connection with the audit of Government accounts and in particular, shall have the right to demand the production of, and complete access to, records, books, accounts, connected vouchers and other documents and papers and to inspect the office of the Commission.

(4) The accounts of the Commission as certified by the Comptroller and Auditor-General of India or any other person appointed by him in this behalf, together with the audit report thereon, shall be forwarded annually by the Commission to the Central Government which shall cause the same to be laid, as soon as may be after it is received, before each House of Parliament.

44. Furnishing of returns and reports to Central Government.—(1) The Commission shall furnish to the Central Government, at such time, in such form and in such manner, as may be prescribed or as the Central Government may direct, such reports and statements, containing such particulars in regard to any matter under the jurisdiction of the Commission, as the Central Government may, from time to time, require.

(2) The Commission shall prepare, once every year, in such form and at such time as may be prescribed, an annual report, giving a summary of its activities during the previous year and copies of the report shall be forwarded to the Central Government.

(3) A copy of the report received under sub-section (2) shall be laid by the Central Government, as soon as may be after it is received, before each House of Parliament.

CHAPTER VIII

MISCELLANEOUS

45. Power of Central Government to give directions to Commission and Autonomous Boards.—(1) Without prejudice to the foregoing provisions of this Act, the Commission and the Autonomous Boards shall, in exercise of their powers and discharge of their functions under this Act, be bound by such directions on questions of policy as the Central Government may give in writing to them from time to time:

Provided that the Commission and the Autonomous Boards shall, as far as practicable, be given an opportunity to express their views before any direction is given under this sub-section.

(2) The decision of the Central Government whether a question is one of policy or not shall be final.

46. Power of Central Government to give directions to State Governments.—The Central Government may give such directions, as it may deem necessary, to a State Government for carrying out all or any of the provisions of this Act and the State Government shall comply with such directions.

47. Information to be furnished by Commission and publication thereof.—(1) The Commission shall furnish such reports, copies of its minutes, abstracts of its accounts, and other information to the Central Government as that Government may require.

(2) The Central Government may publish, in such manner as it may think fit, the reports, minutes, abstracts of accounts and other information furnished to it under sub-section (1).

48. Obligation of universities and medical institutions.—Every University and medical institution governed under this Act shall maintain a website at all times and display on its website all such information as may be required by the Commission or an Autonomous Board, as the case may be.

49. Completion of courses of studies in medical institutions.—(1) Notwithstanding anything contained in this Act, any student who was studying for a degree, diploma or certificate in any medical institution immediately before the commencement of this Act shall continue to so study and complete his course for such degree, diploma or certificate, and such institution shall continue to provide instructions and examination for such student in accordance with the syllabus and studies as existed before such commencement, and such student shall be deemed to have completed his course of study under this Act and shall be awarded degree, diploma or certificate under this Act.

(2) Notwithstanding anything contained in this Act, where recognition granted to a medical institution has lapsed, whether by efflux of time or by its voluntary surrender or for any other reason whatsoever, such medical institution shall continue to maintain and provide the minimum standards required to be provided under this Act till such time as all candidates who are admitted in that medical institution complete their study.

50. Joint sittings of Commission, Central Councils of Homoeopathy and Indian medicine to enhance interface between their respective systems of medicine.—(1) There shall be a joint sitting of the Commission, the Central Council of Homoeopathy and the Central Council of Indian Medicine at least once a year, at such time and place as they mutually appoint, to enhance the interface between Homoeopathy, Indian Systems of Medicine and modern systems of medicine.

(2) The agenda for the joint sitting may be prepared with mutual agreement between the Chairpersons of the Commission, the Central Council of Homoeopathy and the Central Council of Indian Medicine or be prepared separately by each of them.

(3) The joint sitting referred to in sub-section (1) may, by an affirmative vote of all members present and voting, decide on approving specific educational modules or programmes that may be introduced in the undergraduate course and the postgraduate course across medical systems and promote medical pluralism.

51. State Government to promote primary healthcare in rural areas.—Every State Government may, for the purposes of addressing or promoting primary healthcare in rural area, take necessary measures to enhance the capacity of the healthcare professionals.

52. Chairperson, Members, officers of Commission and of Autonomous Boards to be public servants.—The Chairperson, Members, officers and other employees of the Commission and the President, Members and officers and other employees of the Autonomous Boards shall be deemed, when acting or purporting to act in pursuance of any of the provisions of this Act, to be public servants within the meaning of section 21 of the Indian Penal Code 1860 (45 of 1860).

53. Protection of action taken in good faith.—No suit, prosecution or other legal proceeding shall lie against the Government, the Commission or any Autonomous Board or a State Medical Council or any Committee thereof, or any officer or other employee of the Government or of the Commission acting under this Act for anything which is in good faith done or intended to be done under this Act or the rules or regulations made thereunder.

54. Cognizance of offences.—No court shall take cognizance of an offence punishable under this Act except upon a complaint in writing made in this behalf by an officer authorised by the Commission or the Ethics and Medical Registration Board or a State Medical Council, as the case may be.

55. Power of Central Government to supersede Commission.—(1) If, at any time, the Central Government is of opinion that—

(a) the Commission is unable to discharge the functions and duties imposed on it by or under the provisions of this Act; or

(b) the Commission has persistently made default in complying with any direction issued by the Central Government under this Act or in the discharge of the functions and duties imposed on it by or under the provisions of this Act,

the Central Government may, by notification, supersede the Commission for such period, not exceeding six months, as may be specified in the notification:

Provided that before issuing a notification under this sub-section, the Central Government shall give a reasonable opportunity to the Commission to show cause as to why it should not be superseded and shall consider the explanations and objections, if any, of the Commission.

(2) Upon the publication of a notification under sub-section (1) superseding the Commission,—

(a) all the Members shall, as from the date of supersession, vacate their offices as such;

(b) all the powers, functions and duties which may, by or under the provisions of this Act, be exercised or discharged by or on behalf of the Commission, shall, until the Commission is re-constituted under sub-section (3), be exercised and discharged by such person or persons as the Central Government may direct;

(c) all property owned or controlled by the Commission shall, until the Commission is re-constituted under sub-section (3), vest in the Central Government.

(3) On the expiration of the period of supersession specified in the notification issued under sub-section (1), the Central Government may,—

(a) extend the period of supersession for such further term not exceeding six months, as it may consider necessary; or

(b) re-constitute the Commission by fresh appointment and in such case the Members who vacated their offices under clause (a) of sub-section (2) shall not be deemed disqualified for appointment:

Provided that the Central Government may, at any time before the expiration of the period of supersession, whether as originally specified under sub-section (1) or as extended under this sub-section, take action under clause (b) of this sub-section.

(4) The Central Government shall cause a notification issued under sub-section (1) and a full report of any action taken under this section and the circumstances leading to such action to be laid before both Houses of Parliament at the earliest opportunity.

56. Power to make rules.—(1) The Central Government may, by notification, make rules to carry out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely:—

(a) the manner of appointing ten Members of the Commission on rotational basis from amongst the nominees of the States and Union territories in the Medical Advisory Council under clause (b) of sub-section (4) of section 4;

(b) the manner of appointing nine members of the Commission under clause (c) of sub-section (4) of section 4;

(c) the manner of nominating one expert by the Central Government under clause (c) of sub-section (1) of section 5;

(d) the salary and allowances payable to, and other terms and conditions of service of the Chairperson and Members under sub-section (4) of section 6;

(e) the form and the manner of making declaration under sub-section (6) of section 6;

(f) the qualifications and experience to be possessed by the Secretary of the Commission under sub-section (2) of section 8;

(g) the salaries and allowances payable to, and other terms and conditions of service of the Secretary, officers and other employees of the Commission under sub-section (6) of section 8;

(h) the other powers and functions of the Commission under clause (j) of sub-section (1) of section 10;

(i) the medical qualification and experience to be possessed by a member under the second proviso to section 11;

(j) the manner of choosing part-time Members under sub-section (5) of section 17;

(k) the salary and allowances payable to, and other terms and conditions of service of the President and Members of an Autonomous Board under sub-section (2), and the allowances payable to part-time Members under the proviso thereunder, of section 19;

(l) the other factors under clause (d) of section 29;

(m) the manner of submitting a list of medical professionals under the first proviso to sub-section (1) of section 34;

(n) the form for preparing annual statement of accounts under sub-section (1) of section 43;

(o) the time within which, and the form and the manner in which, the reports and statements shall be furnished by the Commission and the particulars with regard to any matter as may be required by the Central Government under sub-section (1) of section 44;

(p) the form and the time for preparing annual report under sub-section (2) of section 44;

(q) any other matter in respect of which provision is to be made by rules.
